1.) Open Page <https://eeunited.eu/membership-login> (<https://eeunited.eu/membership-login>) (also accessible by the Menu Login) and press "Join Us"

If you would like to become a member, please register first.

Once your registration has been confirmed, you will be able to complete a questionnaire to submit your membership application.

By registering, you will also receive email notifications about news and upcoming events from EEU.

REGISTRATION

2.) Press Button "REGISTRATION", fill the form and press "Register"

PLS USERNAME(important for cyber security):

Use for the Username following pattern - last name and the first letter from your first name and the two letters after the first vocal (aeiou) .e.g for Maximilian Mustermann -> mustermannmx.

If you don't have a vocal in you first name - use the first letter and the last two letters for the second part of the user name e.g. Lynn Mustermann -> mustermannln.

If your first name ist smaller than three letters - use the complete first name e.g. Li Mustermann -> mustermannli.

PLS PASSWORD(important for cyber security):

Require a password with the given length.

A longer password is more secure, it is recommended to keep it above 10 characters.

Require at least one lower case character in the password.

Require at least one upper case character in the password.

Require at least one number in the password.

Require at least one symbol character in the password.

The image shows two screenshots of a web application's registration process. The top screenshot displays the registration form with the following fields and values:

- Password:** [masked]
- Repeat Password:** [masked]
- First Name:** Maximilian
- Last Name:** Mustermann
- Membership Level:** Prospective Member
- I accept the [Terms and Conditions](#)
- I agree to the [Privacy Policy](#)

A "Register" button is located at the bottom of the form. The bottom screenshot shows the confirmation page with the heading "registration" and the message: "You need to confirm your email address. Please check your email and follow instructions to complete your registration."

3.) You need to confirm your email address by pressing the link in the mail.

[EEU] Action Required to Activate Your Account

Dear Maximilian

Thank you for registering. To activate your account, please click on the following link (this will confirm your email address):

https://eeunited.eu?swpm_email_activation=1&swpm_member_id=11&swpm_token=8411217462745500530a193094d21d6c

Thank You

You see on the eeunited.eu page a success message. Afterwards you are forwarded to the login page. If you don't get a email, than pls take a look in your email spam folder. If you have problems at all pls contact us by the email adress support@eeunited.eu (<mailto:support@eeunited.eu>) .

5.) Now you are able to check in by the login page <https://eeunited.eu/membership-login> (<https://eeunited.eu/membership-login>).

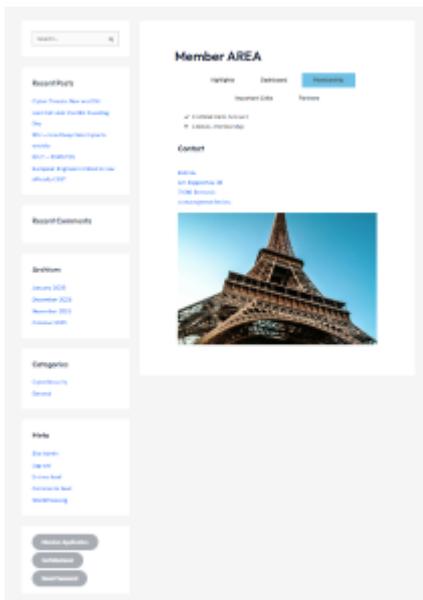

Pls remember that we are still in the initialization phase and not all is perfect and user friendly - we are working on to improve 😊.

The screenshot shows the top navigation bar of the EEU website. On the left is the EEU logo with the tagline "Future Made in Europe". The navigation menu includes "Home", "About", "Services", "Projects", "Contact", "Articles", and "Member AREA". A button on the right says "Request membership (Starting Jan 26)". Below the navigation bar, the user profile area is visible, showing the user is logged in as "mustermannmx". The profile details include: Account Status: Active; Membership: Prospective Member; Account Expiry: Never; and links for "Edit Profile" and "Logout".

6.) Send the membership request

Press the Menue item "Member AREA"

You will see on the bottom left part gray buttons
